

The Spotlights with One4all Rewards and Chambers Ireland aim to shine a light on employees that deserve special recognition within their organisations.

This is a great opportunity for your company to recognise and reward a member of staff who goes above and beyond in their role to achieve success.

To take part, simply nominate a colleague or employee for the Spotlight using the short entry form, and it is completely free of charge to enter. Entries close on Friday 4th November and winners will be announced week commencing 14th November.

Spotlight winners in each province will receive a prize of a €250 One4all Gift Card. One runner up from each province will receive a €100 gift card, while an overall national winner will receive a €500 One4all Gift Card. The Spotlights will be judged by a panel of judges that will include independent and Chambers representatives from Leinster, Munster and Connacht.

The criteria that judges will be judging the Spotlights against are as follows:

Teamwork

This person works well within a team, encouraging every individual to utilise their talents and uniting the team to achieve a common goal.

Initiative

This person is always switched on and ready with a new idea or suggestion to improve their projects.

Attitude

This person is positive, enthusiastic and receptive, making them easy to work with and for.

Vision

This person is aligned with the company's overall objectives and has a firm concept of how to help achieve those goals.

Results

This person delivers above and beyond what's expected, helping achieve targets and drive the business forward.
