# MANUFACTURING SOLUTIONS 2017

**Event Date: 24th May 2017.****Time: 8.30am – 4.00pm****Address: Limerick Institute of Technology  
Moylish Park,  
Limerick,  
Ireland.**

Organised by the Limerick Institute of Technology (LIT) & GTMA, The Manufacturing Solutions Event is a focal point for manufacturing technologies and engineering solutions from over 70 of the most advanced providers of metrology, inspection, machine tools, work-holding, cutting tools, and CAD/CAM/PLM manufacturing software and ancillary products and services.

Additionally, a comprehensive programme of leading industrial keynote speakers will also be an integral part of the event. Free parking and refreshments are available to all Manufacturing Solutions visitors

**Speakers:**

- **Domhnall Carroll, Industry Head, Siemens Ireland,**: “Making Industry 4.0 work for your company”
- **Chris O’Gorman (Stryker Medical)**: “Automation & Metrology, a case study.”
- **Deirdre McPartlin Enterprise Ireland,** : Presentation: “Brexit Impact – insights from Ireland’s development agency for SMEs and Irish owned industry”

**Exhibitors:**

3D Technology
